

Staff Report

TO: Chair and Board Members
Yolo County Habitat JPA

FROM: Maria Wong
Executive Director

DATE: May 3, 2010

SUBJECT: Executive Director's Report

1. 2010 Section 6 Planning Assistance Grant

The JPA did not receive Section 6 Planning Assistance funding in this round. It appears that California's share of the grant allocation was down from previous years. Three California plans, including BDCP, received funding planning assistance funding in 2010. Staff will reapply in the next round.

2. Status Update on EIR/EIS

The EIR/EIS contractor is working diligently on the document. We have reached agreement with FWS on the scope of work and an annotated outline. The contractor is in the process of preparing draft background chapters. At this time, the project is on schedule and within budget.

3. Public outreach events

The JPA will participate in Whole Earth Day in May in Davis and will have a booth at this year's Yolo County Fair.
